

NOVEMBER NEWSLETTER
PRE-K AFTERNOON
2006

Dear Parents,

The transportation unit we were studying is complete! Our art projects included a boat made of Styrofoam, a truck puzzle, and an airplane. We also made a train and a car. Appropriate stories and songs were also taught.

Our current alphabet letter is “Hh”. We made an “Hh” hat. Next week we will skip a letter because of the Thanksgiving holiday.

The children often get together with Morah Yaker’s extended day class. They really enjoy this activity.

“Show and Tell” is on Friday. We have alphabet sharing.

Have a wonderful Thanksgiving holiday.

Shalom,

Morah Matz
